

Terms & Conditions

For engagements over three hours, and/or for frequent bookings, a discount may apply.

1. The trio requires a performance space of at least 2m x 1.5m at the venue.
2. The trio will play outside if adequate shade or cover has been provided. Please make sure you have informed us if you are intending for us to perform outdoors. There are no exceptions to this as the instruments are valuable and can be damaged by sun or rain.
3. It is the responsibility of the client to notify the venue that live music is being played.
4. The trio reserves the right to take a 5 min break per 45 mins of playing time.
5. A deposit is required for the booking to be secured.
6. If the event is canceled with less than 2 weeks notice then the full fee will be invoiced
7. The balance of payment is due on the date of the engagement, unless prior arrangements have been made between the client and the trio. If preferred, the balance may be paid in advance to avoid inconvenience on the day of the event.
8. There is no refund in the event of 'force majeure' such as an earthquake or other civil emergency
